Hello Jessica,

Thank you again for meeting with me and providing feedback as we move forward with this process. As I mentioned in the meeting, our office will push the CLA's office to make sure the Opt-In option is examined in the upcoming report.

UPDATE: It looks like CLA is aiming to release the report in early October or mid-October. The Economic & Development Committee will likely hear the report late in October (October 27).

POINTS OF CONCERN

I've attached the points that you would like see addressed in the new ordinance. Please let me know if you feel any are missing or if there are new ones that spring up from now until the committee discusses this item.

Thank you and have a great trip. We will see you when you get back.
